

My name is Tim Huck and I am asking for your vote to be placed on Lake Forest Estates Board of Directors. I am running for the board because I truly believe Lake Forest is a great place to live and has so much to offer and I want to make sure that continues in the future.

I grew up in Zell, MO and attended Ste. Genevieve High school. Upon graduating, I enlisted in the Navy and served 12 years. During my time in the Navy I was a mechanic in the Navy's Construction Battalion, better known as the Navy Seabees. I finished my career at Dam Neck Special Warfare Development Group supporting SEAL Team Six. Upon leaving the Navy, I stayed in Virginia Beach, Virginia working for Decked out Builders where I specialized in deck building for four years. In 2000, my wife Tricia and I moved back to Missouri and have resided in Lake Forest ever since where we raised our three children.

Since moving back to Missouri, I have worked for Paul Stolzer Construction from 2000 to 2012 building custom homes. From there I worked for LHoist North America (Chemical Lime) from 2012 to 2022. I am currently employed at Jokerst Landscaping building custom patios, flower beds and retaining walls.

I believe living in this community for as long as I have and my construction background will be beneficial and helpful in continuing to make Lake Forest a great place to live.

Thanks for your consideration.

Tim Huck
